ROTTENNESS IN DENMARK.,

"Old Gotch," as Gen. Hardeman is enerally known, is a man of the Anrew Jackson stripe. He knew he was ight, and then be went right shead after ose crooked fellows in Galveston, who understand to a nicety the art of minimum weights for returns, and maximum weights for sales. We may illustrate the thing thus: A commission merchant sells several thousand bales of cotton in one day at the maximum weights; his clerk is directed to send the minimum weights, in account sales, o the consignor; the book-keeper redits cash received with \$101,000 for nated candidacy will, we think, create the day's transactions and debits \$100,- a boom which, combining the support nearly all the other weighers agreeing 000 in remittances to consignors; there sre left \$1000 sadly looking around all opposition and wrest the reins of the certificates as Mr. Masterson did, would add just this much more re- Scotch ginghams......11 to 20 for an owner, and the book-keep- our government from the present vil- I am now satisfied Mr. Masterson be- hef to the masses, and Mr. Shermsu or is instructed to enter this mm to profit and loss, and so the transaction goes on, beautifully, ism or even anarchy would be preferate to exonerate bim from any intentional says "the great body of coin indebted- Portland cement, per bbl 7 00 to \$8 00 been going on from day to day for many years, and the people of the find an unshielded place at which to iculous things, I wish to state what State are defrauded of vast sums of that Mr. Bayard is, or rather was, a public weigher. He acts as a judge of the government, though the amount to do justice between factor and accruing has exceeded \$600,000,000," added in their consummation by comfilesicaed officers of the State, apthey tell us they have no hostility to
